THE MYSORE RESIDENCY,

Bangalore, 28th November 1912

My dear Dewan Sahib

In continuation of my letter No. 5100, dated the 3rd September 1912, I write to say that Sir J.R.Dunlop Smith has fixed up all arrangements with Mr. Jennings regarding the statue of the late King Edward. With the Durbar's contribution of £ 666-13-4, he has opened an account with Messrs H.S. King & Co. in his name.

On the 8th instant, Sir James Dunlop Smith visited Mr. Jenning's studio and found that the clay model was ready. In his opinion, it is admirable in every way and shows King Edward in the Robes of the Garter and this, he says, makes a much more dignified and striking statue than if His Majesty had been shown in Military Uniform. It is said that all who have seen it agree that it is a work of art.

Sir James will now pay Mr. Jennings the first third of the sum agreed upon. He was told that there might be some delay in beginning to work on

the marble, owing to the War, as all the Marble -- Workers in Italy and Greece had gone off to join the Colours. There is no block of marble at present in England which is large enough for the -- statue, so Mr. Jennings may have to wait for a few weeks before the block can be shipped from Greece. Sir James hopes, however, that the whole thing will be ready, as promised, within a year. He will of course let Sir Hugh Daly know from time to time how the work goes on.

Yours Sincerely,

M. Visvesvaraya Esq., C.I.E.,

Dewan of Mysore
